The Narracious Club.

The Narracious Club, whose purpose is the study of history, was organized Thursday night at the home of Mr. and Mrs. Arch Russell. There are eleven members and several others have declared their intention of joining. The club is planning a course in the history of Western Europe for its winter's work. The meeting on Thursday night of this week will be at the home of the president, Mrs. B. L. Guffy.

And the Yom Kippur has his spine up because he and his gang could not put a free-born American citizen out of business. Yom Kippur doubtless does not remember all the good things we said and done for him, and that he, alone, must suffer for having followed off after False Gods.

Don't overlook your subscription. It is now nearing the end of our volume number, twelve months, which will expire with the last issue in this month, October. Look Out!

The Herald is still located in the southwest room of the City Hall

Do not miss us. Several have mentioned to us about getting into the office of the Socialist paper, thinking we had moved.

Look Out!

We Do the Best We Can.

Much valuable news and reading matter is left out every week, for one reason or another, either on account of having more than we can handle, or coming in too late. We only use one man in this office, and that is more than Hayti will justify. This is the only printing office ever in Hayti to be operated with help outside of the immediate family, notwithstanding the Socialist started in with four in the office. Time will tell the Socialist that it came here with the "big-eye," and it will leave with the "little-eye." For many months we did our office and outside work almost alone, using our wife about three days out of the week, and kicking the presses by foot power. Finally, we used one hand about two to three days out of the week, and then we got to the point where we could keep a hand steady, by a tight squeeze.

Ransburgh Barber Shop.

This is to inform the public that I will continue the barber shop of my deceased husband, and that I will be very grateful to the public for any patronage they may give me. This will be my only means for the support of my little children. I will try to do the best I can, will try to see that the place is run in a first-class manner, and I will at all times see that patrons are treated with courtesy.

Hoping to share a part of your patronage, I am,

Very truly,

MRS. H. M. RANSBURGH.

E. S. Berry, the efficient commercial manager of our telephone system, was over from Caruthersville Wednesday, and favors us with the renewal of his subscription.

If you were going to advertise, which would you pay the most for, 10 or 100 posters? That is exactly the way to figure advertising. It is against the postal regulations to give papers away on the streets. There must be a legitimate mailing list. Subscribers must be bona fide. The Hayti Herald is firmly established, and has the subscription list of five years incessant labor. To be reasonable—to leave room for no doubt, the Socialist's advertising rate should be not more than one-fifth of our's, unless it is your desire to donate to that paper in order to injure the Herald. We have repeatedly challenged its mailing list, and we continue to do so, and this is no joke. We mean exactly what we say, and we know. We say the Socialist cannot show 100 subscribers in Pemiscot county. But, of course, if it is your desire to support that paper because you think you are injuring us, you are at liberty to spend every dollar you have to that end, so far as we are concerned, and when your money is all gone we will still be here, doing business at the same old stand.

It Don't Work.

Well, the Socialist clan are not doing us so much harm, after all. We did all the work for the Waller Bros. Stock Company, which showed here one week last month, although our enemies told them that by giving their work to us they would lose \$250.00. They took their chances on the Herald, with the result that three nights there was not standing room in their mammoth tent, and they claimed the best paying week during the season. A few weeks ago, when Young Bros. Street Carnival was here, our enemies tried to pull off the same stunt. Young Brothers had hardly struck town when our enemies buttonholed them and told them what a terrible fellow the Herald man was, and advised them if they wanted to make money enough to get out of town they had better stay away from the Herald. But we did all the work for this company, and some after they had left, one job being 10,000 tickets, numbered 20,000 times. The Herald is so widely and favorably known that it is selected as the proper medium and place long before strangers reach town, and the very weather-beaten, sore-eyed, bewhiskered appearance of our enemies when they approach strangers is disgusting.

Mr. and Mrs. T. C. Hollinsworth of Bruceville, Ill., came down Thursday, on a short visit to Mrs. Hollinsworth's brother, F. M. Perkins and family.

WHY NOT GET A GUARANTEE.

Every Article of Merit That is Sold These Days is Guaranteed—No Guarantee Often Means Poor Quality.

There is very little excuse for any person to claim that he has been "stung" on a purchase. Fifty years ago the buyer had to look out, but today it is unusual to find a merchant who will not return the money for any article that has proved unsatisfactory. An excellent example of this kind of fair dealing is shown by the clean-out guarantee that Lefler's Drug Store gives on Dodson's Liver Tonic.

These people tell us that any person who pays 50 cents for a bottle of Dodson's Liver Tonic and does not find it a gentle and most pleasant liver tonic, harmless, but a sure reliever of constipation and a perfect substitute for calomel, can get his money back just as quick as they can get it out of the money drawer.

Dodson's Liver Tonic has practically taken the place of calomel. It is absolutely harmless, safe in its action and causes no restriction of habit or diet. No wonder the drug people are glad to guarantee it, while other remedies that imitate the claims of Dodson's Liver Tonic are not guaranteed at all. (Advertisement.)
